Announcement of Lectures and Exercises

Global Climate dynamics  
(Master Module P4)

Lecturers: Johannes Quaas (Lectures)  
Olivia Linke / Iris Papakonstantinou-Presvelou (Exercises)

Location: Seminar room, Vor dem Hospitaltor 1

Time:  
Wednesday 13.15 – 14.45 h (Lectures)  
Wednesday 15.00 – 15.45 h (Exercises)

Start:  
Wednesday 6. April 2022 (Lectures)  
Wednesday 20. April 2022 (Exercises)

Topics: Atmospheric and oceanic large-scale circulation, energy cycles,  
Coupling of energy and water cycles, climate feedbacks, physics of climate change

Module exam: Oral exams (30 min.; individual appointments in the week 18 to 22 July)

Moodle: https://moodle2.uni-leipzig.de/course/view.php?id=26494
